APPENDIX 1:

NOTE

PREE serves as a confirmation testing laboratory for NASCAR Event Management, LLC ("Client") per this agreement. It is the responsibility of the Sponsoring Organization ("Organization") to ensure the product meets applicable local, state and federal guidelines.

PAYMENT

Payment will be sent by the Organization to PREE. PREE reserves the right to withhold reporting to the Client and Organization until payment is made in full. PREE reserves the right to change the fee structure listed below.

Payments may be made by check or credit card. Address checks to *PREE Laboratories, LLC*. Call PREE at 541-257-5002 to make a payment by credit card.

Fee Structure:

- Sample Analysis: \$150.00 per sample

All Shipping and Handling charges for product delivery, additional product requests, and product return will be covered by the Organization. NOTE: Product return is by special request from the Organization only.

SAMPLE REQUESTS

To request testing, email PREE Labs at services@preelab.com and include the word "NASCAR" in the email subject line. A PREE representative will send the Organization Appendix 1 of this Agreement and a Chain of Custody.

SAMPLE COLLECTION

Cannabinoid products will be shipped to PREE by the Organization.

- Shipping Address:
 - 545 SW Second Street
 - Suite 202
 - Corvallis, OR 97333
 - Attn: Sample Accessioning
- Product Requirements:
 - Products must be in their final form, as they will be sold to consumers, including all packaging and labeling.
 - *A minimum of 10g of product (not including package weights) is needed.*
 - PREE reserves the right to request additional product.
- Documentation Requirements:
 - The Organization shall complete PREE's Chain of Custody (COC) and send the COC with the product.
 - Analysis of product will not begin if the COC is not included or is incomplete.

- Questions regarding the COC: email services@preelab.com or call 541-257-5002.

SAMPLE ANALYSIS:

Potency analysis is completed using a HPLC (High Performance Liquid Chromatography) equipped with a UV detector following PREE Standard Operating Procedure #303. PREE reserves the right to subcontract testing services to another ORELAP accredited laboratory.

- a. A homogenized subsample is weighed. Analysts perform a solvent extraction and dilute the sample according to matrix type. The diluted sample is loaded into the appropriate instrument and analyzed.
- b. The resultant chromatography is integrated against a calibration curve to quantify the amounts of each analyte in the sample.
- c. The calibration curve and all other quality control samples are prepared with commercially available certified reference materials.

PREE shall indemnify, defend and hold harmless Client, its parent, subsidiary and affiliated companies, and each of their respective shareholders, directors, officers, agents and employees from and against all losses arising out of the performance of this Agreement, but only in proportion to and to the extent such losses are proximately caused by or result from the negligent acts, intentional misconduct, or breach of Agreement by Pree or its officers, employees, agents or representatives.

REPORTING:

1. PREE has 6 days from the receipt of product to issue a confirmation report to the Organization and Client.
 - a. PREE must communicate any delays as soon as possible with the Client and Organization.
 - b. If additional product is requested, a report will be issued 6 days from the receipt of the additional product.
2. PREE's confirmation reports will include:
 - a. The Organization's name, address and contact information
 - b. Date and Time of:
 - i. Sample Receipt
 - ii. Sample Analysis
 - c. Signatures of:
 - i. Testing Staff
 - ii. Report Review staff
 - d. Sample Results
 - i. The State of Oregon requires Hemp Products to contain less than 0.30% Total THC. PREE will measure products against this rule. Reports will indicate if products are below or above 0.30% Total THC.
 - ii. Total THC (%) will be calculated as: $\text{Total THC\%} = (\% \text{THCA}) \times 0.877 + (\% \text{THC})$
3. Reports are issued via email from services@preelab.com
 - a. Client reports will be sent to hburleson@nascar.com.
 - b. Organization reports will be sent to the email listed on the COC.
 - c. Reports are confidential. Reports shall not be reproduced, except in full, without written consent of PREE. Report alterations by any other entity beside PREE Laboratory are not

allowed. If alterations are made to the original report after the initial release, they will be noted in the body of the report.

- d. In addition, PREE agrees that the terms of this Agreement and all Reports and samples or related documentation and information provided by either Client or Organization will be treated as confidential and will not be disclosed without the written authorization of Client.

SAMPLE DISPOSAL

Products received by PREE will be disposed of following the Oregon Liquor and Cannabis Commission's (OLCC) rules for Marijuana Waste Management, regardless of product type, unless PREE is given specific disposal instructions for a product based on test results from Oregon State regulatory agencies.
